Unibilt Builds Modular, PreFab, Factory Built Homes...and YES, They Are Highly Customizable! Your new home is designed and constructed in modular sections (called boxes) in a climate controlled environment. In addition to the weather, we have complete control of the building process and building materials. You, the homebuyer, have control of the look of your new, custom home.

DOWN PAYMENT ASSISTANCE WITH INCLUSIVE COMMUNITY FUND: Down payment assistance is available through the HomeOwnership Center, in partnership with Miami Valley Fair Housing Center, to homebuyers purchasing properties in zip codes 45417 and 45426. Funds are limited and are available first-come, first-served. Prospective buyers must meet all program guidelines.
